

## About EncompassHK

Encompass Hong Kong is a social enterprise that promotes diversity and inclusion (D&I) in the workplace through guiding employers to create a work environment that is more D&I friendly. Encompass Hong Kong offers training and consultancy services to educate and support organizations to be more diversified and inclusive, including meeting global standards e.g. Sustainable Development Goals (SDGs)..

Encompass Hong Kong will achieve these aims with a strong team of staff and advisors, as well as with partnering organizations that work with differently-abled individuals, senior workers, ethnic minorities, and gender and sexual minorities.
